

# Sawgrass Grove:

A NEW KIND OF GATHERING PLACE

This past summer, The Villages introduced plans for Sawgrass Grove, a new area in the southern most part of The Villages that is slated to bring all of Villagers favorite activities to one location. From championship to specialty golf, regional recreation, open market shopping, dining and outdoor entertainment, it's sure to be a popular gathering place.

One of the many highlights of Sawgrass Grove will be the newest entertainment area — nestled between McGrady's Pub and Sawgrass Market area and covered with shade canopies. Here you can enjoy some music from entertainers on the boxcar stage and dance into the evening.

*“What our residents will be most excited about is the unique covered outdoor space that we’re creating. It’s a little different than our traditional design. It’s almost going to feel like a piece of art.”*

—Gary Mark, The Villages Design Team

## WHAT'S COMING TO SAWGRASS GROVE

### 1 Clifton Cove Putting Course

With the growing popularity of short course designs, The Villages is excited to bring another 18 holes of putting fun to the Sawgrass Grove area.

### 2 McGrady's Restaurant & Pub

Complementing the design of the area, this restaurant will pay homage to the fun Scottish roots of the game of golf. Look for live outdoor entertainment and plan on having a great time with friends.

### 3 Ezell Recreation Complex

Designed throughout to pay tribute to golf, Ezell Recreation Complex will showcase a number of your favorite amenities including a new 9-Court Pickleball Center.

### 4 Sawgrass Market

Inspired and designed to feel like an indoor farmer's market, Sawgrass Market, will showcase local artisans, boutiques and a variety of vendors.

*“...a buzz of excitement throughout the day and into the early evening.”*
